Absentee bids are executed competitively but are done as a courtesy. Every effort will be made to execute all bids but you must agree that Ripley Auctions cannot take responsibility for missed absentee bids. Please note: Absentee bids placed after the auction start time are more difficult to administer and may not be effectively executed.

Please use the table below to list absentee bids. To bid an additional increment, if your bid is off increment, write "+1" after your high bid. If you would like to be a phone bidder, write "phone" to request a phone line. We will call you prior to the lot going to the podium to ask for your bid.
