

## SHIPPING POLICY

All purchased items are required to be picked up or shipped within fifteen (15) days following a sale.

As per our **Terms & Conditions**, if arrangements for shipping have not been made and communicated within thirty (30) days, Selkirk reserves the right, at this time, to charge a storage fee of \$10 per lot per day for furniture and large format items and \$5 per lot per day for all other items, and within sixty (60) days, at its own discretion, confiscate and sell any items left on the premises. Accumulated fees resulting from storage and insurance cost will be taken out of any proceeds.

### SHIPPING OPTIONS

In addition to the list of third-party shippers provided below, Selkirk provides buyers the option of in-house shipping and local delivery for select items. **Not all items qualify for our in-house services**, so please contact us at [info@selkirkauctions.com](mailto:info@selkirkauctions.com), for inquiries **prior** to bidding.

Please remember all items must be paid for in full before they will be released for pickup / shipment.
