Please note that a buyer's premium of ~~14%~~ will be added to the auctioneer's hammer price. A 25% deposit is required to execute the absentee bid.

Absentee bids are executed in competition with the audience, on an alternate basis. Due to the uncertainties of bidding patterns, a lot may sell to the audience for the same amount authorized by an absentee bidder. To avoid this possibility, absentee bidders may authorize us to increase their bid by one increment by placing a plus sign (+) beside their maximum bid. In the event of identical absentee bids, the bid received first will take precedence.

Absentee bidders are requested to call the following business day to determine if they have been the successful bidder. Payment and pick-up of purchases must be made within 3 days of the auction. If you were unsuccessful, your deposit will be refunded.

Barry S. Slosberg, Inc. offers this service as a convenience at no charge to their customers who are unable to attend the auction and will not be held responsible for error or failure to execute bids.
